

### Here's what happens...

God commands his people not to lie. When Ananias and Sapphira sell their property, they lie about how much money they sell it for so they can keep some money but make it *seem* like they gave it all. Both of them are caught in the lie and die suddenly.

**Bible Point:**  
We don't lie.

*"Jesus replied, 'You must love the Lord your God with all your heart, all your soul, and all your mind' " (Matthew 22:37).*

### Family Together Time

Celebrate the truth about your family.

- Work together to come up with 10 truths about your family, and write them down.
- You may include purely happy things like, "We love to play games together."
- You may also add a positive ending to something harder, such as, "Sometimes we fight, but we always love each other."
- Hang the list of 10 truths on your fridge to celebrate the truth about who you are as a family.
